GGCTD #18 – WEEKEND SONG

NEW CREATION

I thought I knew what I was talking about
When I testified of Your great love
Well, I was a soul on fire, there was no doubt
Bible believing, saved, and washed in the blood

But it wasn't 'til I stumbled and made my mistakes
That I could know in my soul how amazing was grace

You brought me blessings out of a tragedy
You turned my old song into a symphony
And with Your spirit living inside of me
I'm a new creation
I'm a new creation

And now I know what You were talking about
Went from my head into my heart
When I was broken at the bottom, I found
You're my Healer and Redeemer, Jesus, that's who You are

You brought me blessings out of a tragedy
You turned my old song into a symphony
And with Your spirit living inside of me
I'm a new creation
I'm a new creation

Oh, oh-oh, oh, oh
Oh, oh-oh, oh, oh

But it wasn't 'til I stumbled and made my mistakes
That I could know in my soul how amazing was grace

You brought me blessings out of a tragedy
You turned my old song into a symphony
And with Your spirit living inside of me
I'm a new creation (oh, oh-oh, oh, oh)

You brought me blessings out of a tragedy (You brought me blessings)
You turned my old song into a symphony (I hear a symphony)
And with Your spirit living inside of me (with Your spirit living inside of me)

I'm a new creation
I'm a new creation

I'm a new creation
(Oh, oh-oh, oh, oh)
Oh, a new creation

And with Your spirit living inside of me (oh, oh-oh, oh, oh)
I'm a new creation (oh, oh-oh, oh, oh)
I'm a new creation

De Colores, De Colores the fields love to dress in all during the springtime
De Colores , De Colores the birds have their clothing that comes every season
De Colores, De Colores the rainbow is vested across the blue sky

De Colores and so must all love be of many bright colors to make my heart cry (repeat)

Sings the rooster. Sings the rooster with his kiri kiri kiri kiri
And the cluck hen. And the cluck hen with her cara cara cara cara
And the babe chicks. And the babe chicks with their pio pio pio pio pi
